

South Australia's biggest annual all-British vehicle show features hundreds of historic and classic cars, trucks, commercials, motorcycles and more.

All British Day is an annual family picnic day centred around a display of British vehicles, wooden boats and working steam engines across two ovals at Echunga.

Entry is open to all vehicles and motorcycles of British manufacture and design.

For 2027, our feature theme will acknowledge 50 years since the elegant Triumph Stag finished production.

Again, in 2027, we will be recognising the relationship between fashion and motoring with Dressed to Drive. Entrants are encouraged to dress to match their vehicle year and prizes will be awarded (see website).

There will be trade stalls showcasing restoration services or you may wish to buy a British vehicle.

Businesses supporting British vehicles will be there along with displays of British engines and British-powered wooden boats.

For our younger guests who might want a break we have that covered with our usual favourites including face painting, medieval Ironclad activities and Rev it Up Racing. In 2027 we are also expect to have a brass band, a stunning model railway display and a much larger childrens' zoo.

We want this to be a special day out for the family and are providing extra rest areas to relax and enjoy the day. Bring a lunch or use one of the many catering services that are available.

Spectators and visitors

Tickets are available at the gate from 10.30am to 3pm

Entry \$15 Accompanied children no charge

Free parking is adjacent to ovals

Only assistance dogs for the disabled allowed.
